Welcome to the USA STARZ program! We are the both the largest cheer program in the Valley and the largest youth training facility in Arizona! USA Starz offers cheer teams ranging in age from Tiny (ages 4 – 5) to International Teams (ages 14 and up). We have programs for both All Star Cheer and Prep Teams!

Why are we successful?

We have developed our cheer program to build strength, flexibility and the technical skills to be successful in the sport. Our USA cheer coaches are former college and All-Star cheer athletes that are USASF certified with years of experience coaching in successful programs. Our tumbling coaches are college or level 10 athletes that have been coaching with us for years. USA has been coaching competitive teams in the East Valley for over 35 years. We have 3 large gyms at two locations in Gilbert and Queen Creek. We have over 100 coaches on staff!

Team Placements:

USA follows USASF guidelines and rules for all teams. Each level has both tumbling and stunting requirements that are carefully considered in all placement decisions. Tumbling expectations by level will be handed out during Open House and Clinics. USA places levels that are best fit for the team's strengths. All athletes that try out are placed on a team based on age and skill level. There are many additional factors in the team placement decision. Teams are placed by the coach's best assessment of the skills level of the athlete and the skills needed for a team to be successful. Athletes have the opportunity to move to a higher team during the summer if the athlete gains additional skills.
