

The safety of the children enrolled in our programs, and the family members that care for them, is of utmost priority to us. In this unprecedented scenario we are currently experiencing due to the spread of COVID-19, it has been our extreme desire to make a wise decisions as to what is best for our clients, our athletes and our staff. We have closely watched the rapidly changing recommendations put out by the White House, the CDC, our Governor and the Maricopa County Health Department.

As of 3/19/2020 Governor Ducey has issued an executive order requiring gyms and fitness facilities to close. In following this proclamation, we will be closed for all classes and events. We will re-open as soon as we are allowed, and it is safe to do so.

As a small business, closing is difficult, and we want you to know that we VERY much appreciate our client's loyalty to the gym and to our staff in this very difficult time.

Thank you for your continued partnership in keeping our students and facilities healthy, safe and secure.
